

Pattern Parade

Grade K | Math | Skill: Extend repeating patterns | 2026-08-31

Directions: Look at each pattern. Circle the shape that comes next.

1. What comes next?

1.     Next:   

2.       Next:   

3.       Next:   

4.       Next:   

5.     Next:   

2. Make your own AB pattern

Draw two different shapes. Repeat them until every box is filled.

Pattern power! You noticed what repeats.
