

Array Garden

Grade 2 | Math | Skill: Represent equal groups with arrays

Directions: Count rows and objects in each row. Write repeated addition and the total.

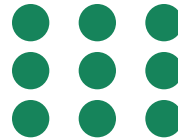

1 Read each array

1.

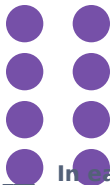

Rows: ____ In each row: ____
Addition: _____ Total: ____

2.

Rows: ____ In each row: ____
Addition: _____ Total: ____

3.

Rows: ____ In each row: ____
Addition: _____ Total: ____

4.

Rows: ____ In each row: ____
Addition: _____ Total: ____

2 Build an array

Draw an array with 3 rows and 4 dots in each row. Then complete the equations.

Repeated addition:

Total: _____

Equal rows make multiplication ideas grow!
