

# Plant Life Cycle Diagram

Label, color, and learn the stages of a plant's life!

## Color & Label

Color each stage and write the correct name.

## Draw Your Own Plant

## Think & Answer

- 1 What comes first in the plant life cycle?  
\_\_\_\_\_
- 2 What does a seed need to start growing?  
\_\_\_\_\_
- 3 Which stage has roots and leaves?  
\_\_\_\_\_
- 4 How does a plant make new seeds?  
\_\_\_\_\_

You are growing like a **superstar!**
